PART I

1. Background and Advice

Background

The Financial Management Code of Practice for the Police Service of England and Wales sets out a requirement for all Police and Crime Commissioners (PCC) and Chief Constables (CC) to establish an independent audit committee. The Joint Audit and Ethics Committee is key to the PCC's and the CC's delivery of effective governance, assurance, risk management and statutory financial duties.

In 2014 the Joint Audit and Ethics Committee was created for Lancashire consisting of a Chair with a Committee made up of 4 members. The Chair's tenure is for five years ending 31st December 2018 with the option of extending for a maximum of 10 years. The members were appointed for 4 years ending 31st March 2018 with the option of extending for a maximum of 8 years.

The four current members of the Joint Audit and Ethics Committee have confirmed that they would like to take up the option to extend their membership for a further four years. The Chair of the Committee has stated that he does not want to take up the option to extend his tenure beyond 31st December 2018.

The PCC and the CC are asked to consider the request of the current members to extend their tenure on the committee for a further four years.

The PCC and CC are asked to consider the arrangements to be put in place to replace the Chair of the Committee with effect from 1st January 2019.

Performance

The Joint Audit and Ethics Committee meets on a quarterly basis and considers a range of issues and reports.

Reports are received from the Internal Audit team, the PCC and CCs' external auditors and senior managers from both the Office of the PCC (OPCC) and Constabulary. Members of the Committee also provide regular reports to the Committee.

The Committee also provides views on ethical issues reported to the Committee by both the OPCC and the Constabulary.

Appendix A shows the annual report for the Committee that sets out the work undertaken by the committee in 2017/18.

Recommendations

The PCC and CC are asked to consider the performance of the current members of the Joint Audit Committee.

The PCC and CC are recommended to agree to extend the membership of the current Committee members to 31st March 2022, those members being:

Mr Stephen Dobson

Mr David Jones

Ms Karol Sanderson

Mr Russ Weaver

The PCC and CC are recommended to authorise the Director of the Office of the PCC, in conjunction with the Constabulary Director of Resources, to recruit a Chair for the Committee for a period of five years beginning on 1st January 2019.

If an existing member of the Committee should be successful in becoming the Chair of the Committee, the PCC and CC are recommended to approve the Director of the Office of the PCC, in conjunction with the Constabulary Director of Resources to recruit a new member to the Joint Audit and Ethics committee until 31st March 2022.

2. Link to Police and Crime Plan

The arrangements set out in the Terms of Reference meet the requirements of the Police and Reform and Social Responsibility Act 2011 (PRSRA), Home Office Financial Management Code of Practice (FMCoP) and the Chartered Institute of Public Finance and Accountancy Audit Committee Guidance.

The Joint Audit and Ethics Committee demonstrates to all stakeholders that the PCC and CC take their governance and risk management responsibilities seriously.

The Joint Committee assists the PCC in discharging statutory responsibilities in holding the CC to account and helping to deliver an improved policing service. This will be achieved by providing independent assurance on the adequacy of the risk management framework and the associated control environment, independent scrutiny of the organisation's financial and non-financial performance to the extent that it affects exposure to risk and weakens the control environment, and to oversee the financial accounts preparation.
