Due to the current climate regarding COVID-19 we recognise most projects will be postponed in order to adhere to the government's guidance in relation to social distancing.

The Grant Information indicated that, whilst the maximum grant is £3,000, the Commissioner would be looking for applications lower than this to enable the fund to be widely available as possible.

Where a lower grant than that applied for has been recommended LANPAC will work with the applicant to ensure that the project will be able to continue and will provide support and advice in regard to other funding options.

Recommendation

The Commissioner is recommended to approve the level of funding for the Applications as outlined in Appendix A.

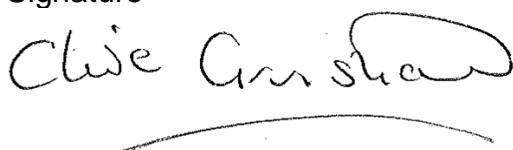

Due to COVID-19 and current restrictions most projects will be delayed until government guidance allows. Funding will only be released to the organisation upon commencement of the activity. The Office of the Police and Crime Commissioner and LANPAC will monitor each project on an individual basis.

The total amount of funding recommended is £60,449.50

Financial Implications

The 2020-21 budget for the Community Action Fund is £150,000 and the **£60,449.50** funding for these applications is allocated from this budget leaving an unspent balance in the Fund of £89,550.50
