## COMMUNITY SAFETY FUNDING 2015- 2016

### COMMUNITY SAFETY AND PARTNERSHIPS:

#### 1. EVERY ACTION HAS CONSEQUENCES

From the 2015-16 Community Action Fund, the Commissioner provided £2,250 to Every Action Has Consequences Charity towards the re-development and design of their Education Pack for teachers which includes lesson plans, teacher's notes and a DVD.

Every Action Has Consequences previously launched their first Education Pack in May 2012 which received extremely positive and powerful feedback.

The charity have now launched their re-vamped Education Pack, at their Event which took place Monday 30<sup>th</sup> November, 2015 at the Dunkenhalgh which had OPCC Representation.

Having secured a grant of £5,000 from Trading Standards, they are looking for further match funding of £5,000 to run a series of 'Train the Trainer' events for 220 practitioners. This will enable the EAHC Education Pack to be made available to wide range of school, colleges and educational establishments across Lancashire.

**Proposal:** That the Commissioner provides £5,000 to Every Action Has Consequences towards the 'Train the Trainer' events.
