'Appendix B

Fleetwood Town Community Trust have submitted a request for funding to support an initiative aimed at helping to reduce youth crime rates, anti-social behaviour and improve the Health and Education Outreach programme.

OASIS (Open Access Sport Inclusion Scheme) will provide a range of activities from which aim to build personal and social development and which will act as a positive diversionary activity.

Matt Hilton from Fleetwood Town Community Trust came to the Offices of the Police and Crime Commissioner's Office on Thursday 21 April 2016 and discussed at length the schemes that they currently have in operation for not only young people but schemes for people with mental health or over 50s with isolation issues. This particular scheme is sport/football related. Engagement is 16 – 24 age bracket, males and females and in fact the take up recently has been a higher number of females.

Referrals come from a number of different sources – police, schools, and GPs to name a few. The schemes include sporting activities, health and wellbeing and a structured goal orientated activity programme.

There are a number of key players on the Board of Trustees that lend themselves to mentoring support and trainee opportunities presenting themselves.

Fleetwood Town Community Trust have many accredited schemes for individuals to exit with qualifications and ideally a pathway to employment with credible placements on CVs. They enjoy a good relationship with Job Centre, Re-Gender and Princes Trust. The individuals can study the BTEC qualification, return as mentors in a number of the schemes and work with the board for traineeships. The organisation also has the contract from Wyre Council to teach Bikability in schools and many of those who have been on schemes can progress to be one of the team.

The funding requested would go to pay:--

Facilities = £20 hr x 2 hrs a week x 48 weeks = £2,880 x 5 locations = £14,400

Match funding will come from Fleetwood Town Community Trust

Staff = £25 x 2 hrs per week x 48 weeks = £2,400 x 5 locations = £12,000

Total Equipment (Footballs/bibs/markers/pop up goals) = £1550

Media and marketing = £850

Total over 5 locations = £28,800

In respect of sustainability clear indication has been given regarding other sources of funding in respect of grants and partnerships. However it would be proposed that this be allocated as a grant in order to assess the project and if successful at providing what we as an office are looking for we would seek to consider commissioning through a tendering process
