1 BACKGROUND

- 1.1 The Parties to this Agreement have previously entered into a collaboration agreement in relation to the PA97 dated 26th July 2016 in relation to property and wireless interference (the “2016 Agreement”). With the implementation of the IPA16 in relation to Targeted Equipment Interference, as of the date hereof, the parties thereto wish to terminate the 2016 Agreement in accordance with clause 7 of its terms and enter into this Agreement to facilitate collaboration between the parties in relation to both PA97 and IPA16.
- 1.2 In relation to the PA97:
 - 1.2.3. the PA97 provides a legal basis and framework for police forces to undertake entry on or interference with property in operations concerning serious crime that would otherwise be unlawful;
 - 1.2.4. the PA97 incorporates a number of safeguards which include a requirement that authorisations are only granted by senior authorising officers. The PA97 also incorporates restrictions regarding the applicant and authorising officer being from the same force area and places geographical restrictions on where some authorising officers can authorise such interference; and
 - 1.2.5. following amendments made by the Policing and Crime Act 2009, for police forces in England and Wales the relevant area is now defined by section 93(6) of the PA97 as the area for which the force is maintained or the area in England and Wales for which a formal collaboration agreement is in place (under section 22A of the PA96).
- 1.3 In relation to the IPA16:
 - 1.3.3. the IPA16 provides a legal basis for police forces to undertake Targeted Equipment Interference that would otherwise be unlawful;

- 1.34. the IPA16 incorporates a number of safeguards which include a requirement that warrants for Targeted Equipment Interference are only to be granted by Law Enforcement Chiefs on the request of appropriate Law Enforcement Officers and save in cases of urgent need, with the approval of a Judicial Commissioner; and
- 1.35. the IPA16 incorporates restrictions regarding the Law Enforcement Officer and the Law Enforcement Chiefs being from the same force area and imposes geographical restrictions to require a connection to the British Islands for specified Law Enforcement Officers to grant a warrant for Targeted Equipment Interference;
- 1.4 The Parties believe that criminal investigations which overlap the geographical area of two or more police forces can more efficiently and effectively be discharged by the co-operation and collaboration of those police forces. It is believed that such co-operation and collaboration would be enhanced by utilising the arrangements permissible under (i) section 93 of the PA97 and (ii) *inter alia* section 106 and schedule 6 of the IPA16.
- 1.5 The Chief Officers and the Policing Bodies have agreed to collaborate with each other in the manner anticipated by (i) section 93 of the PA97 and (ii) *inter alia* section 106 and schedule 6 of the IPA16 in order to discharge of functions of members of a police force more effectively in accordance with section 22A of the PA96.
- 1.6 This Agreement is made pursuant to section 22A of the PA96 which enables police forces and local policing bodies as defined in the PA96 and other parties to make an agreement about the discharge of functions by officers and staff where it is in the interests of the efficiency or effectiveness of their own and other police force area. By entering into this Agreement, the Chief Officers have taken account of the statutory guidance for police collaboration published by the Home Office in October 2012 in exercise of the Home Secretary's power under section 23F of the PA96 to provide guidance about collaboration agreements and related matters.
- 1.7 In the event of any conflict of interest between the terms of this Agreement and any regional collaboration agreement between any of the Parties in relation to (i) section 93 of the PA97 and (ii) *inter alia* section 106 and schedule 6 of the IPA16, the Parties agree that the terms of this Agreement shall take precedence.
