## **3 Background**

3.1 The Internal Audit Service complies with the professional standards of the Chartered Institute of Public Finance and Accountancy, which established Public Sector Internal Audit Standards. These are drawn from the Chartered Institute of Internal Auditors' International Professional Practices Framework, comprising a definition of internal auditing, a Code of Ethics, and International Standards.

3.2 The Public Sector Internal Audit Standards and supporting Local Government Application Note require a head of internal audit to deliver an annual opinion and report. The opinion should address the overall adequacy and effectiveness of the organisation's framework of governance, risk management and control and should be used to inform the governance statement. The annual internal audit report must incorporate the opinion, a summary of the work that supports that opinion, a statement on conformance with the Public Sector Internal Audit Standards and the results of the quality assurance and improvement programme.
