04/12/2023	Email	<p>Thank you for supplying the figures I requested.</p> <p>In summary it appears that in 2010 the total number of full time equivalent officers for East Lancashire plus Pennine was 1109. By 2020 this had fallen to 791 - a reduction of 318 approx 29% less officers!</p> <p>Recruitment has been undertaken in recent years and the full time equivalent this year is now 964.</p>	Response sent via email 22/12/2023	Yes

		<p>This is still a reduction of 145 approx against the 2010 full time equivalent officers. The officer workforce for the whole area is just 87% of the 2010 figure.</p> <p>What plans are in place to address the shortfall? Is funding available to return to the 2010 level?</p> <p>Do the figures include uniformed and non-uniform officers?</p> <p>Are you able to say the typical percentage of officers available for duty after taking into account annual leave and absence due to sickness?</p> <p>Has the level of sickness increased due to the stress of falling numbers?</p> <p>Do you have information on average experience levels? Given the loss of 29% of the workforce I wonder if the majority were experienced officers taking advantage of 'early retirement' exits?</p> <p>Finally is it possible to attend a consultation meeting with the Police and Crime Commissioner?</p> <p>Can you confirm that I have correctly understood the figures.</p>

18/12/2023	WDTK	<p>I have a number of questions regarding the amalgamation of Lancashire Police Special Constabulary into the Lancashire Volunteer Partnership:</p>	Response sent via email 21/12/2023	Yes

		<p>1: What was the exact date this amalgamation took place?</p> <p>2: What was the consultation process between Lancashire County Council, regarding the willingness of serving Special Constables to be re-classified as LVP Volunteers rather than Lancashire Police Volunteers?</p> <p>3: What were the mutual and individual advantages to the LVP and to the Constabulary which made it so important to make these changes?</p> <p>4: How much did the LVP make from financial gains, in the form of Government support or grants by using the yearly volunteering hours contributed by Special Constables? Referring to your own data, this amounted to over 100,000 hours in the first year of the new arrangements.</p> <p>5: What was the NET Gain or Loss to the Special Constabulary budget by making these gains?</p> <p>6: What did Lancashire Constabulary gain by making this arrangement?</p> <p>7: How did the County Council and the Constabulary gain the necessary permissions from serving Special Constables, in order to be allowed to share data about Officers, previously held exclusively by the Constabulary?</p> <p>8: Regarding the LVP Administration and a lead role created in the LVP, into which a serving Lancashire xxxx, xxxx, retired from the Constabulary and took up an almost identical role, administrating the running of the Special Constabulary. This seems like a huge coincidence!</p>

How were they vetted?</p>
