Decision

I have received a report detailing the revenue budget for 2025/26 setting out the council tax precept requirement for the year and the capital investment programme for 2025/26 and future years.

Having considered the report I have agreed the revenue budget requirement for 2025/26 of £424.764million and the resulting increase to the Band D council tax of £14 (5.31%). I have also agreed the allocations set out for the capital investment programme in the report.
