The Police and Crime Commissioner received an application from Rossendale and Darwen's MP.	
Recommendation The Police and Crime Commissioner is asked to approve the allocation of £2,900 to Rossendale and Darwen MP's sponsored project with More in the Room CIC to deliver the Safer Childhoods: Adolescent Boys Project.	

PART I

1. Background and Advice

The PCC recently launched a dedicated funding round to allow each of Lancashire's 16 MPs the opportunity to apply for funding to support community safety initiatives within their constituencies. They can propose schemes for consideration by the Commissioner through the application process, with a total funding cap of £50,000 per MP.

Andy MacNae, MP for Rossendale and Darwen has submitted an application in support of the **Safer Childhoods: Adolescent Boys Project** led by **More in the Room CIC**. This project responds to growing concerns around adolescent boys (Years 7–8) at The Valley Academy who are at risk of radicalisation, particularly through exposure to misogynistic and incel-related content online. The initiative aims to counter these influences by providing positive male role models, engaging activities, and family support.

The application requests **£2,900** as a grant contribution to promote healthy relationships and emotional intelligence, address online safety and extremist narratives and build trust between young people, families, and local services. The total project cost is **£3,900**.
