

DECISION NOTICE

DECISION: 44/2025	DATE: 2nd December 2025
<p>Decision</p> <p>Following a Pension Forfeiture Hearing on 26th November 2025, at which I considered the forfeiture of a police pension, both in terms of the proportion of the pension to be forfeited and the period over which the forfeiture is to take place, in respect of a former police officer Fraser.</p> <p>Accordingly, after considering all the representations, both by Mr Fraser and the Chief Constable, I felt that he was required to be accountable for taxpayers' money and accordingly, agreed:-</p> <ol style="list-style-type: none">1. To progress the request from the Chief Constable for the forfeiture of police pension in respect of Mr Fraser; and2. That the proportion of the pension to be forfeited, which represents the employer's notional contributions, be fixed at 50% temporarily for a five-year period from 1st December 2025: and3. That, at the conclusion of the five-year period the proportion of the pension to be forfeited be restored.
