1. Background and Advice

In November 2025, the Ministry of Justice launched the 'PCC Strategic Commissioning Fund 2025/26'. The purpose of the fund is to strengthen OPCC victims services commissioning and / or improve capacity/resilience within their commissioned victim support services.

After a successful application, Lancashire OPCC has been awarded £39,961.50 for the implementation of five short term projects. A summary of each proposal can be found below:

Application 1: Sector Development – BAME Organisations

Through market engagement the Commissioning and Procurement team have identified a gap in skills, knowledge or capacity to apply for funding particularly for BAME organisations. This project aims to strengthen the capacity and sustainability of BAME-led organisations. Through two full-day workshops, participants will improve skills in bid writing, data collection, safeguarding, and see best practice in partnership collaboration.

Total project cost: **£4,500 (MoJ Strategic Fund - £3,500.00, PCC contribution - £1,000)**

Project timeline: **January 2026 – March 2026.**
