PART I

1. Background and Advice

The PCC recently launched a dedicated funding round to allow each of Lancashire's CSP's the opportunity to apply for funding to support local partnerships working together to reduce crime, anti-social behaviour, and community harm. CSP's can propose schemes for consideration by the Commissioner through the application process, with a maximum grant per application of £5,000. All funding applications must demonstrate how they contribute to one or more of the Police and Crime Plan strategic priorities.

Fylde CSP have submitted a proposal to reduce shoplifting, retail crime, and anti-social behaviour in St Annes Town Centre by improving real-time communication and intelligence sharing among businesses, police, and local authorities through a radio link system. The application requests £2,400 as a grant contribution to the project.
