1. Background and Advice

The PCC recently launched a dedicated funding round to allow each of Lancashire's CSP's the opportunity to apply for funding to support local partnerships working together to reduce crime, anti-social behaviour, and community harm. CSP's can propose schemes for consideration by the Commissioner through the application process, with a maximum grant per application of £5,000. All funding applications must demonstrate how they contribute to one or more of the Police and Crime Plan strategic priorities.

The Keta-What project aims to **raise awareness** among frontline professionals and parents regarding:

- The real-world signs and symptoms of ketamine misuse
- The long-term physical and psychological risks

- Effective referral pathways and available support
- Intelligence opportunities to help police identify supply chains

Ultimately, the project seeks to:

- Prevent young people from developing ketamine dependency
