PART I

1. Background and Advice

The PCC recently launched a dedicated funding round to allow each of Lancashire's 16 MPs the opportunity to apply for funding to support community safety initiatives within their constituencies. They can propose schemes for consideration by the Commissioner through the application process, with a total funding cap of £50,000 per MP.

Jonathan Hinder, MP for Pendle and Clitheroe has submitted an application in support of the *POP (Positive Opportunities Pendle) project* led by Positive Action in the Community. This project targets 12–15-year-olds in Waterside to reduce ASB through structured youth work, social action, and community engagement. By empowering young people to co-design solutions, the project aims to create lasting behavioural change and improve perceptions of youth in the community.

The application requests **£43,008** as a grant contribution. The total project cost is **£43,008**.
