PART I

1. Background and Advice

The PCC recently launched a dedicated funding round to allow each of Lancashire's 16 MPs the opportunity to apply for funding to support community safety initiatives within their constituencies. They can propose schemes for consideration by the Commissioner through the application process, with a total funding cap of £50,000 per MP.

The project aims to address persistent anti-social behaviour (ASB) and low community engagement within Highfield Park and the surrounding residential area by transforming an under-used space into a safe, inclusive, and well-maintained community garden. Through positive, structured engagement—particularly with young people—the project seeks to build local ownership, responsibility, and pride, helping to reduce vandalism, disruptive behaviour, and community tensions while strengthening cohesion across generations.
